You

We, the 1957-1958 Hopewell staff, dedicate this book to you, the students of Struthers High School, for without you this book would be nothing but a record of a school year. But it isn't. It's life as you lived it and it will go on living as long as the happiness that wrote it goes on living in your hearts. Each day is captured for all time, a living record. Although you may be graduated this year, or be nearing graduation, this book will bring back fond memories never to be forgotten.

Throughout the book the two happy figures below will represent you. They are you, retracing the paths of the 1957-58 school year. Follow now, as our two friends travel through the pages filled with the events that you helped to create and will long remember.

Upon the administration the tremendous responsibility for the entire school rests. This includes such duties as the hiring of teachers, school expenditures, and school repairs and improvements. In the capable hands of our faculty lie many and varied subjects which pertain to every walk of life. These are designed with one person in mind, you. The future of Struthers' students is all-important in the eyes of the faculty and every possible effort is made to insure that future.

administration and faculty

Mr. O. J. Gabriel, our superintendent, has proved his loyalty to Struthers with 32 years of faithful service. During that time many improvements have been made including the building of our fieldhouse, one of the finest in the state. Among other improvements, just recently new desks were placed in our classrooms.

Though Mr. Wayne R. Grinnen, our principal, has held his position for only two years, he has proved himself an outstanding and farsighted administrator. He has been with the Struthers schools 25 years. Before taking over as the chief administrator of the school, he taught mathematics for 17 years and then was assistant principal.

stands the Board of Education.

Behind every efficient, smooth working organization there has to be a directing power. Struthers High is no exception. In order for your school to function properly it, too, needs a guiding hand, an organization to keep its vital affairs in good order. This important need is met by the Struthers Board of Education.

It may not seem immediately apparent to you, the student, just how important the school board is. However, without it school as you know it would not be possible. When needs beyond the power of your administration or faculty arise they become the responsibility of the board. It then decides on a course of action and takes the necessary steps to accomplish it.

This group, composed of civic minded Struthers citizens elected by the voters, is truly responsible for the well being of your school. They are the steady guiding hand which leads you on the path to a better education.

picturing you

School life is like a ladder which every student must climb. Each class is a rung on this ladder.

When, as eighth graders, you started here at Struthers, you found yourselves at the base of this ladder preparing to make that long climb. But each step had to be taken carefully and with perseverance. Each step brought you nearer the top, but the higher you went the harder you had to work. Along the way you learned much. In addition, each succeeding class left you some experience or knowledge it had gained. During your climb you, too, have gained a great deal which will be your ladder to a better life when you are graduated. The education you receive here is the support upon which your whole later life rests. You will always remember that climb as the best years of your life.

After one year of background, you the freshman class faced your first year of high school. Realizing that there was much to be gained during your four years here at Struthers you set your goals high. Following the examples of perseverance and hard work set by previous classes, you strived to reach these goals. Under the leadership of the new class officers and sponsor you got off to a good start working very hard to make your activities for this year a success. The desire to do a good job which you have shown this year will be a great blessing to

in the future.

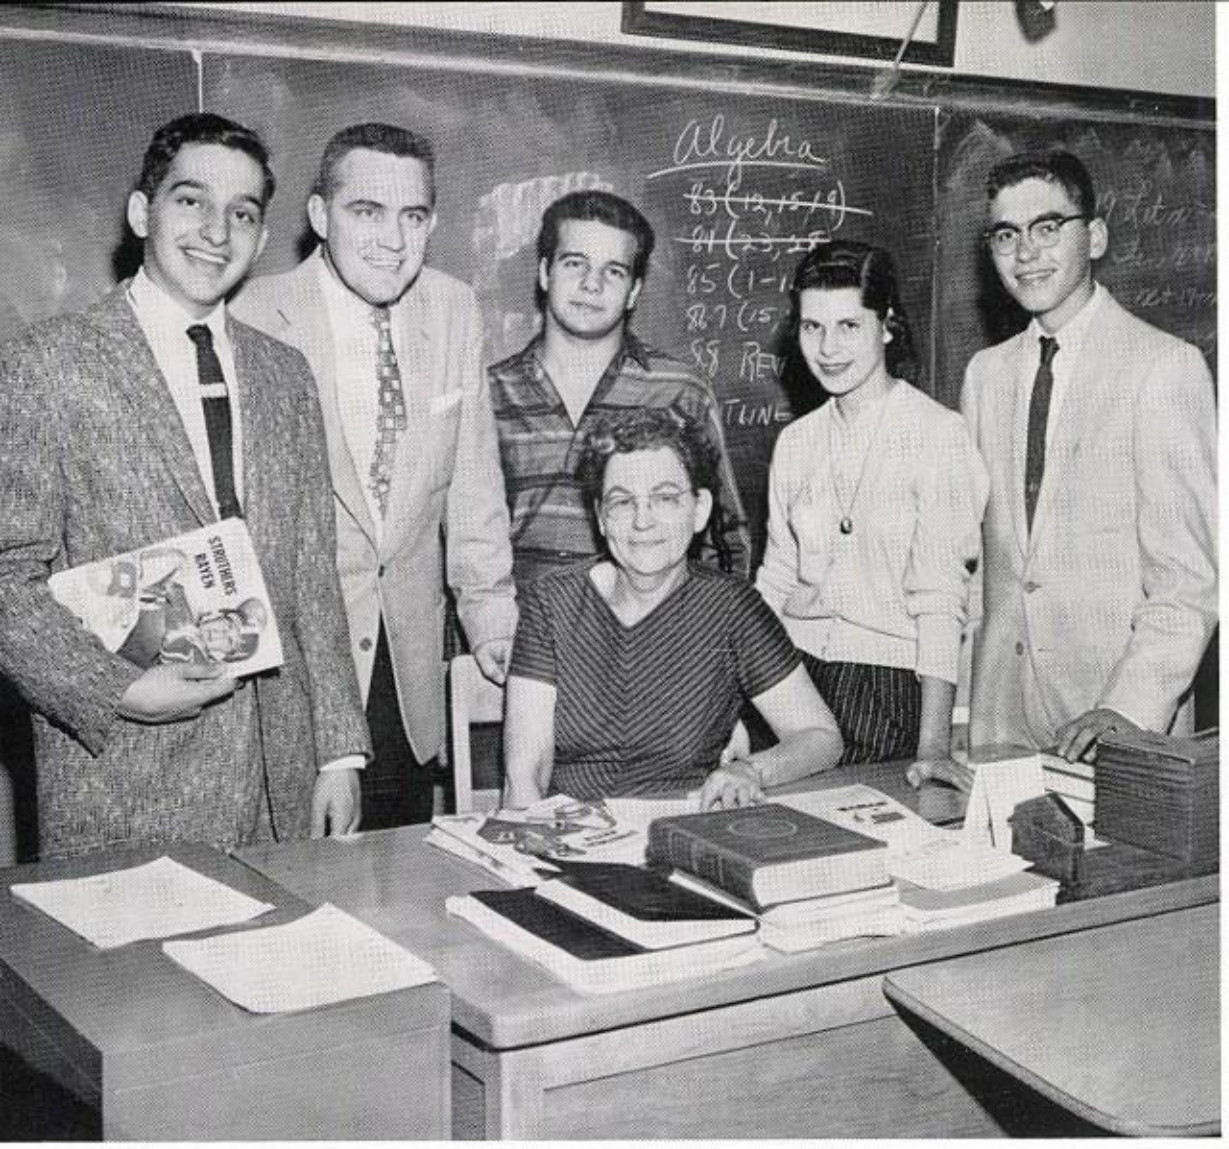
You, the members of the sophomore class, early this year discovered a secret of vast importance. All this year you carefully guarded this valuable secret. However, somehow it leaked out and now everyone knows the secret for success. What is the secret?—hard work; that is the formula for success.

You sophomores certainly made use of this formula for winning friends, fame, and fortune, working very hard on every job before you. Soon, even to your own amazement, you saw how easy it is to accomplish your objectives when you work with a willingness to co-operate and to get the job done. So, at the end of this year, you sophomores can look back and say with pride, "one more job well done by the class of 1960."



Dale De Letis, *president;* Mr. William Mackin, *sponsor;* Joe Carlucci, *secretary;* Duana Ross, *treasurer;* Gary Wood, *vice president. Seated:* Miss Marguerite Tigue, *sponsor.*

As you of the junior class ended your sophomore year, you realized the many new responsibilities with which you were faced. Not least among these was the need of funds to help you in your sponsorship of the annual Junior-Senior Prom, the highlight of your year. Starting off early last summer, you worked with a will and put out the biggest and best football program ever at Struthers. Then you worked with the determination necessary for success selling them at the game. The end result is one of which to be proud. Also, you led the school, in a "Pride in Our School" Campaign which included daily devotions. Your list of achievements will serve as a precedent for many years to come.

to lead your classes.

picturing you

Some of your best Memories of SHS center around the sports world! True, you were not all able to participate in the game, but you were able to participate in the cheering, pep assemblies, and after-the-game dances.

Struthers is proud of you, the athletic squads, and doubly proud of you, its fans. You admirably supported the squads, football, basketball, baseball, and track, as well as the many individual sports. Your encouragement has helped Struthers to become a "school of champions." A championship team is not always determined in the win columns—it must be champions in defeat as well as in victory, and must keep a fighting spirit even when things look dark. You, the athletes of Struthers, display a sportsmanship of which we cannot be anything but proud.

Lucas defending, breaks up pass!

The Wildcats had a very successful season, winning nine and losing only one, under Coach Tom "Red" Phillips. One of the most important cogs in this team's success story was the desire the boys possessed. It was truly a great team effort displayed by a great team. The Wildcats were paced by Ben Bruno, Nick Gentile, Jerry Lucas, and Tom McIntire, who will long be remembered as the "four spacemen" of S.H.S.

Gentile led the Wildcats in total yardage racking up 1,021 yards and scoring 18 touchdowns. Lucas set a new school record with his 21 touchdowns and also proving a valuable pass receiver snaring 10 passes for 224 yards gained. McIntire and Bruno also performed admirably, rounding out the backfield.

Penson, *manager.*

Behind the great blocking of the Wildcats' charging line, Struthers led the state's best teams in scoring with 402 points.

Lucas, Gentile, and Bruno attained first place berths on the "All Steel Valley Team." Gentile and Lucas received honorable mention on the "All Ohio Football Team."

Struthers had a very successful pass defense this year with their opponents hitting on only 29 per cent of their passes. The Wildcats intercepted 22 passes of which 3 were converted into touchdowns.

Struthers was rated 16 in the state in the final A.P. Poll.

S.H.S. 35 GIRARD 0

This gridiron tussle saw Struthers scalp the visiting Girard Hi Indians 35-0. Jerry Lucas led the Cats with three six-points. Struthers scored first when Lucas plunged over in the first quarter and Hartzell converted. Lucas scored twice more in the second stanza when he slammed over from the 13-yard line and tallied from up close. Hartzell converted both times, putting Struthers in front 21-0 at halftime. Nick Gentile's smashing line bricks sparked a third-quarter drive which ended with Nick's ramming over from the two-yard line. Hartzell booted the extra point. The Cats' final score came in the fourth quarter when Tom McIntire slashed over from the six, with Hartzell converting five.

S.H.S. 48 FITCH 21

The Wildcats journeyed to Fitch and they kept their high scoring grid machine in high gear by walloping the Falcons 48-21. The fleet-footed halfback scored twice in the first quarter on 25 and 18 yard jaunts and rambled for two more in the second period in scampers of 17 and 30 yards. Fitch came back with three TD's in the third and fourth quarter, but Nick Gentile scored three times himself. He steam-rolled his way for a 47-yard score in the third quarter and smashed over from the 10-yard line and the one-yard line in the final stanza. Hartzell was successful in six out of seven extra point tries.

S.H.S. 35 EAST LIVERPOOL 12

Traveling to East Liverpool, the Wildcats outmanned the Potters to win their fifth straight game 34-12. Jerry Lucas and Tom McIntire chalked up three and two touchdowns respectively.

S.H.S. 48 WARREN ST. MARY'S 0

The season's opener saw the visiting Struthers Wildcats run rough-shod over Warren St. Mary's 48-0. Leading the Wildcats' scoring parade was Jerry Lucas with three markers, one on a 16-yard scamper. Jim Paris hit paydirt twice on passes covering 49 and 19 yards. "Pudge" Kosco intercepted a pass and ran for a touchdown and Nick Gentile plunged over for still another score. Hartzell converted six times out of seven attempts.

S.H.S. 52 RAYEN 0

In their home opener the Wildcats looked very powerful in trouncing Rayen 50-0. The Wildcats scored in every stanza which included 18 points in the final quarter. Nick Gentile and Jerry Lucas led the Struthers scoring spree by nabbing three TD's apiece. Benny Bruno, quarterbacking brilliantly, pitched two touchdown passes to Lucas, covering 27 and 50 yards respectively. Tom McIntire also hit paydirt on a third period plunge and Rich Hartzell kicked four extra points.

Lucas scampers to paydirt in Wilson game.

East Liverpool scored first but from then it was all Struthers'. Galloping Jerry Lucas slammed over from the eight, electrified the crowd with a 95-yard touchdown jaunt, and raced 48 yards for another score to conclude his stellar performance. Tom McIntire rammed over from the three and scored again in a 48-yard pass play from a brilliant field general and faker in Ben Bruno. Hartzell was perfect with five conversions.

S.H.S. 20 STEUBENVILLE 14

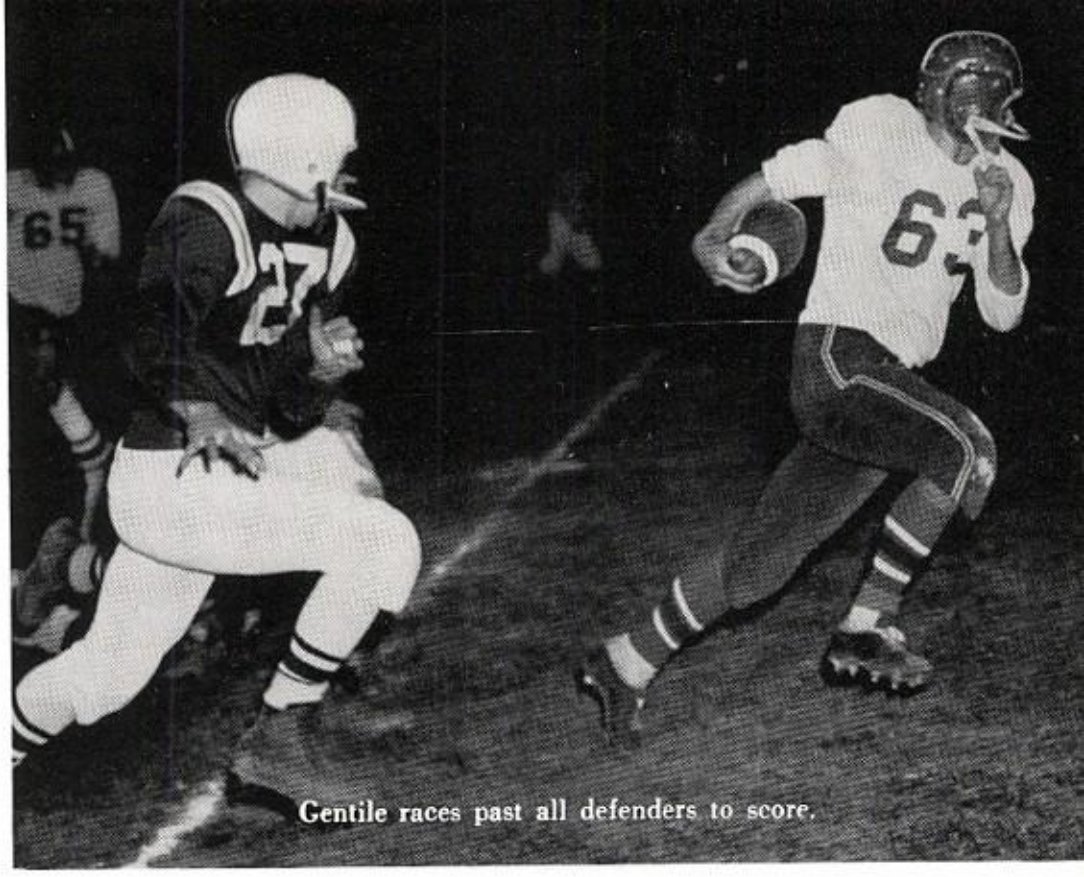
Struthers gained its sixth straight victory by jolting Steubenville's Big Red aggregation 30-14 in a thrill packed pigskin struggle. The Big Red scored first, marching 81 yards in 20 plays. Tom McIntire galloped 54 yards for a score and set up another by hauling in a 30-yard pass. Gentile bucked over from the one-yard line. Steubenville came back to score on a 65-yard TD dash and converted to put themselves in the lead at halftime 13-14. In the fourth quarter defensive halfback Frank Chako intercepted a Big Red pass and went 25 yards for the deciding tally.

S.H.S. 47 WILSON 6

The Wildcats scored a smashing victory over Wilson, with Gentile's leading the TD parade with two touchdowns. Gentile's score came on sensational gallops 82 and 56 yards. Lucas tallied in a 68-yard run; McIntire hit paydirt on a 15-yard inside reverse; Paris scored when he caught a 31-yard Bruno heave at the goal line and Ronny Barber took a roll-out pass from Kosco to zip 25 yards for the Cats' final marker.

S.H.S. 53 BOARDMAN 6

Struthers romped over the visiting Boardman Spartans 53-6. Ben Bruno smashed over from the two-yard line for the first Wildcat score. Gentile smashed 16 yards through center for a score and spurted up the middle for another. Lucas scored on an eight-yard touchdown scamper. The Wildcats' scoring barrage continued as McIntire cracked over from the three-yard line; Bruno dove over from the one; fleet-footed Jerry Lucas whizzed 60 yards on a beautifully executed reverse play; and to round out the scoring, Bruno scored from seven yards out. Hartzell kicked five placements.



Gentile races past all defenders to score.

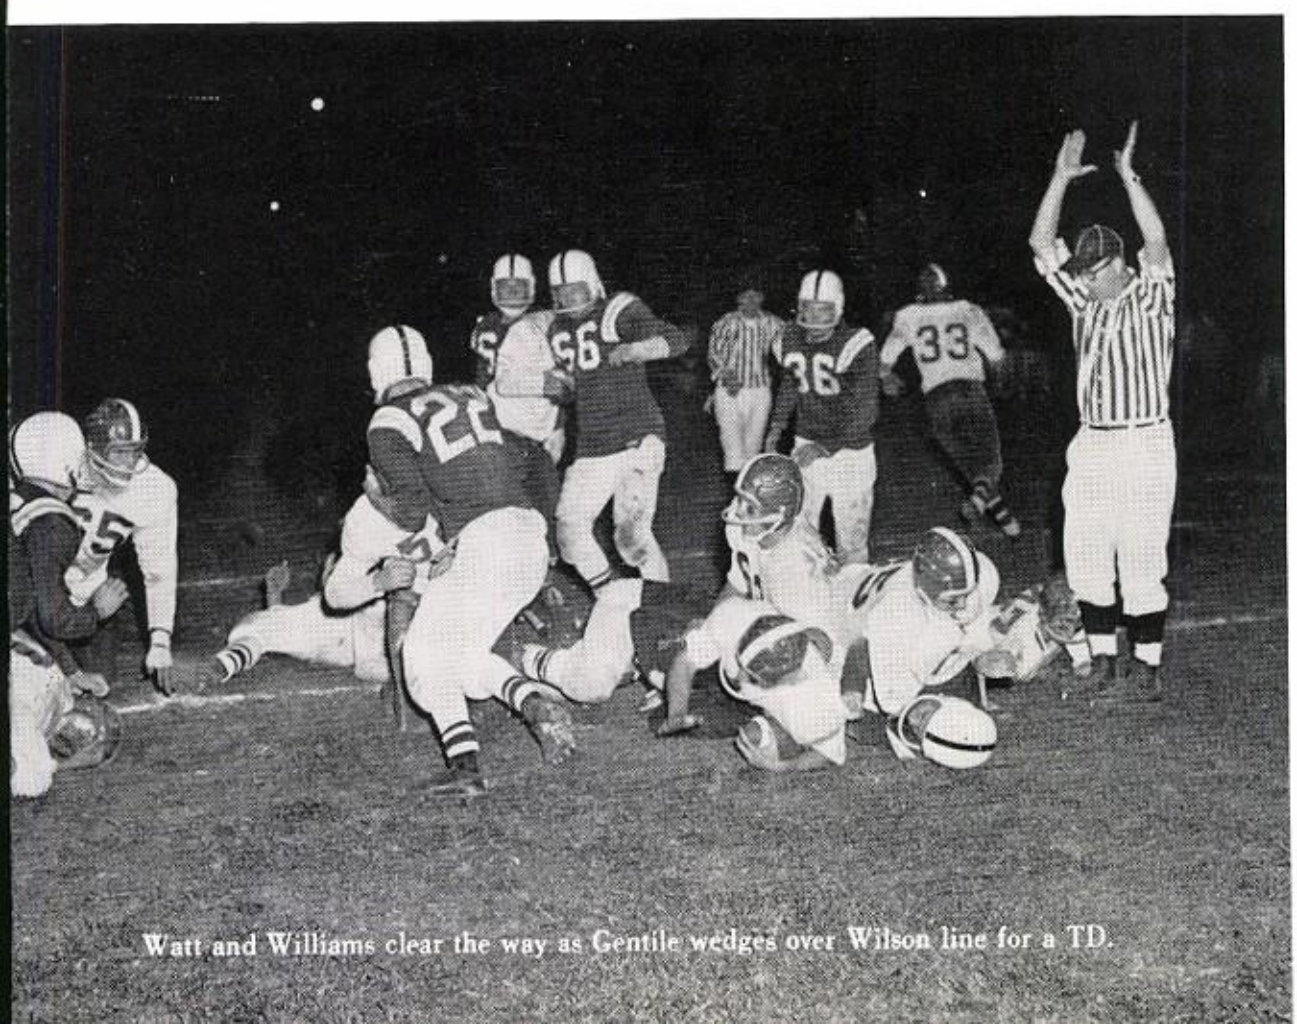
S.H.S. 6 CAMPBELL 27

The Wildcats went down to their first defeat 27-6 at the hands of a quick charging Memorial Eleven. Memorial enjoyed a 27-0 lead in the fourth quarter by scoring once in each of the periods. Struthers' only score came late in the game with Nick Gentile bulling over from the nine-yard line.

S.H.S. 58 HUBBARD 19

In their season's final, the Struthers Wildcats grounded the Hubbard Eagles 58-19. Nick Gentile had four touchdowns on runs of one, ten, and five yards. Lucas went 61 yards for his first score and crashed over tackle for his second tally. Other players who tallied were Brabrant, Perry, and Kosco. Hartzell kicked three extra points to round out the scoring.

Due to the flu epidemic, Niles was unable to play Struthers. In their place, the game with Steubenville was scheduled.



Watt and Williams clear the way as Gentile wedges over Wilson line for a TD.

The Struthers Wildkittens opened their season by beating Fitch 14-7. John McComish tallied once and Jim Eisenbraun scored once and ran both extra points. Struthers edged out Niles 7-6 with Eisenbraun scoring. In their third game Struthers was tied by Hubbard 13-13. Leroy Lewis and Jim Eisenbraun each tallied one touchdown.

The Wildkittens' only loss was at the hands of Girard 7-6. Tom Chako recovered a fumble in the end zone for the only score. In the next game Struthers beat Boardman 14-7. Jim McComish scored two touchdowns and Eisenbraun ran the extra points. In the Wildkittens' last encounter they downed Memorial 20-0. Eisenbraun scored two touchdowns and one extra point, Lewis tallied one touchdown, and Barber scored the other extra point. The outstanding play of the year was a 45-yard pass from Jim McComish to Anthony Fire, in the Memorial game.

Cheerleaders spark school spirit!

J. Prest, J. Heckert, L. Trafficant, B. Umbel, C. Walton.

Be it rain or shine, the cheerleaders are always on hand to lead the cheers for the Struthers High teams. Full of school spirit, they do their best to strengthen the morale of our teams by showing them that the student body is with them.

Of the five varsity cheerleaders, three are graduating this year.

Barbara Umbel has been a cheerleader for three years and a varsity cheerleader for the last two years. She was a reserve cheerleader in her sophomore year.

Janet Heckert advanced from reserve cheerleader in her freshman and sophomore years to varsity cheerleader for her junior and senior years.

Judy Prest held the position of reserve cheerleader in her sophomore year, and she was voted varsity cheerleader for her junior and senior years.

Second row: N. Gentile, T. Perkins, B. Grinnen, J. Watt, J. Rudzik, F. Costello, S. Huzicko.

VARSITY

This year's Wildcat team can be tabbed as a mystery team. The boys played like a champion team one night and then just the opposite the next. However, this team had great spurt and provided Wildcat followers with many a thrill. Coach George Kerlek's workhorses were Ben Bruno, Nick Gentile, Tom Perkins, Don Sicafuse, and Tom McIntire. Also seeing a lot of action were Kosco, Costello and DeMocko.

RESERVE

First row: R. Siiner, M. DelSignore, R. Repasky, D. Koma, H. Smith, R. Planey.

Second row: T. Walsh, T. McGraw, N. Sandru, J. Walters, T. Kinkela, J. Hritz.

First row: R. Gura, *manager;* J. Stefano, R. Barber, A. Rouse, B. Reed, D. Pavlansky, J. Rudzik, G. Jacubec, *manager.*

Second row: Mr. Farrah, *coach;* E. O'Neil, B. Paloski, J. McComish, J. Ellis, V. Romeo, J. Turner, D. Mensor, *manager.*

9th GRADE

The freshman team has had a rugged season this year. Under the coaching of Mr. Ivan Farrah, they developed into a well-rounded team. The team has had tough luck in losing their games by only a few points. The eighth grade team is coached by Mr. Ed Strauss. The eighth grade team will supply Mr. Farrah with outstanding material for next year.

8th GRADE

First row: J. Eisenbraun, J. Burnett, P. Antol, T. Betts, R. Lynn.

Second row: J. Koleck, J. Myers, M. Pesa, T. Matlak, T. Fire, R. Ehler.

S.H.S. 46 RAYEN 62

In opening their 1957-58 basketball season the Wildcats were defeated by Rayen 62-46. The Rayen Tigers led 31-22 at halftime and breezed home to victory. Leading the Struthers' attack was "Pudgie" Kosco with 16 points.

S.H.S. 45 CARDINAL MOONEY 34

Playing their first home game the Wildcats pleased the partisan gallery with a 45-34 triumph over Cardinal Mooney. Struthers controlled the boards throughout and made a nifty 46% of their shots. Nick Gentile sparked the "Cats" attack caging 13 markers.

S.H.S. 35 SALEM 58

In their third game of the season the Wildcats were routed by the visiting Salem Quakers 58-35. The first period ended with the score tied at 10 all, but from there on it was all Salem. Fred Costello hit for 13 points to pace the Wildcats.

S.H.S. 34 EAST 47

The Wildcats journeyed to Youngstown East only to be defeated 47-34. Struthers held a 16-12 lead at halftime but East rallied in the second half to win handily. Nick Gentile hooped 15 points to lead the Wildcats' scoring.

S.H.S. 58 WILSON 48

Playing in the friendly confines of the Struthers Fieldhouse the Wildcats jolted Wilson 58-46. The game was a nip and tuck thrill most of the way, but the Wildcats exploded with a 23-point barrage in the final quarter. Gentile was high scorer for the "Cats" as he fired in 20 points.

S.H.S. 49 WARREN 71

The Wildcats absorbed their fourth defeat of the season at the hands of the Warren Black Panthers 71-49. Struthers stayed in contention throughout most of the first half, but Warren came alive to take a 31-24 halftime lead and then pulled away in the second half. Kosco, Gentile, and Sicafuse scored 11, 11, and 10 points, respectively.

S.H.S. 64 FITCH 76

Traveling to Fitch the Wildcats took a 76-64 thumping. Struthers couldn't seem to get going in their Steel Valley encounter and fell behind. Gentile's 17-point barrage was the Wildcats' only bright spot.

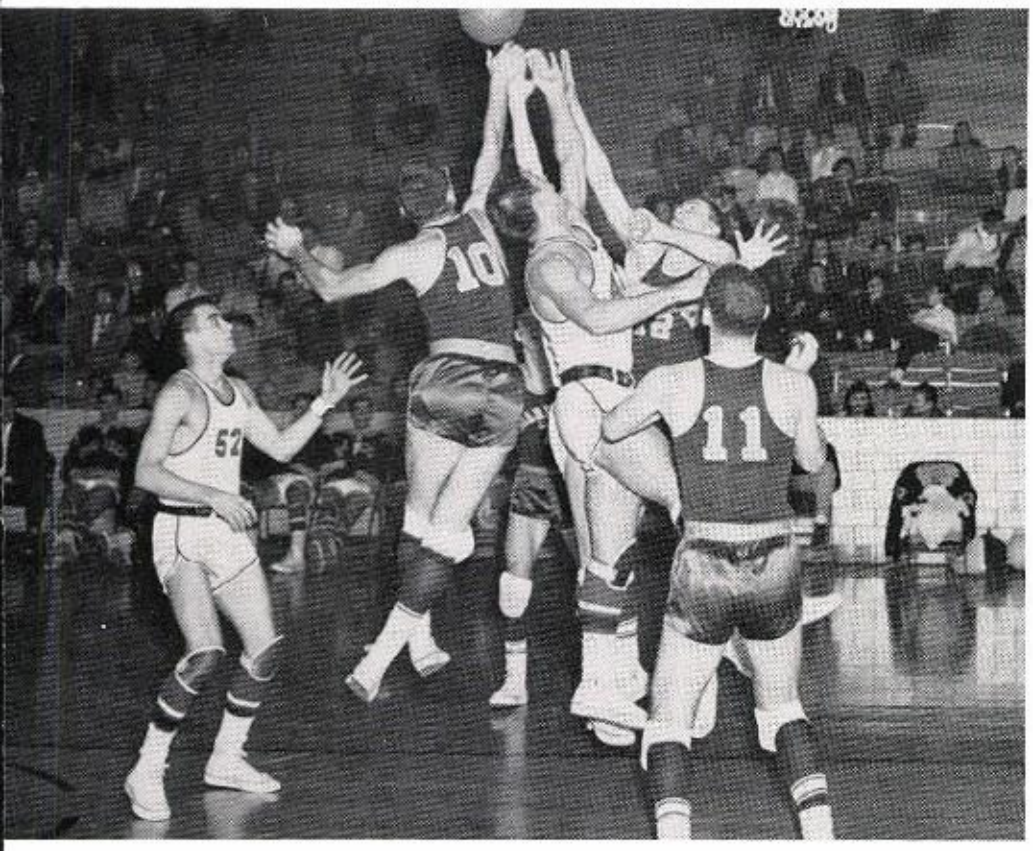
S.H.S. 38 NILES 30

Playing a deliberate type game the Wildcats toppled Niles 38-30. Struthers won the game at the foul line hitting on 18 of 26 free throws. Bruno gunned in 12 points to pace the Struthers' attack.

S.H.S. 29 HUBBARD 39

In an away game the Wildcats bowed to the Hubbard Eagles 39-29. Struthers held a 17-15 lead at halftime but were outscored 24 points to 12 in the second half. Ben Bruno again was outstanding for Struthers hooping 12 points.

Ben Bruno shoots one-handed jump shot.



Nick Gentile fights for the ball.

Tom Perkins shoots another for the Wildcats.

S.H.S. 52 GIRARD 39

Struthers journeyed to Girard where they scalped the Indians 52-39. The Wildcats played a good all-around game. Gentile did a good job on the boards and also pumped in 13 points. Sicafuse also had 13 markers. However, Tom Perkins was high scorer as he bombarded the hoops for 15 points.

S.H.S. 35 BOARDMAN 36

Playing at home once more Struthers lost a thriller to Boardman 36-35. This was truly the outstanding game of the year as far as excitement was concerned. Struthers held a 21-20 lead at the half, but fell behind and with time out and four seconds remaining, Struthers was losing by 1 point. As play commenced Tom Perkins shot from 40 feet out, but the ball rolled off the hoop. Sicafuse kept Struthers in the game with 17 points.

S.H.S. 59 CAMPBELL MEMORIAL 73

At the Campbell gym the Wildcats absorbed their fourth Steel Valley loss 73-59. Struthers started out badly but rallied to pull within 3 points at the outset of the final period. Campbell, however, pulled away in the final quarter. Perkins and Bruno put in 19 and 18 points, respectively, for the Cats.

S.H.S. 58 FITCH 64

Playing at home Struthers fell victim to the Fitch Falcons 64-58. The game was tied several times in the early moments, but Fitch pulled away to a comfortable halftime lead. Early in the fourth quarter Fitch held a commanding 61-39 lead, but then the Wildcats got hot and outscored Fitch 19-3 in the closing minutes. Tom Perkins rimmed 22.

S.H.S. 31 NILES 46

The Wildcats were downed by the Niles Red Dragons 46-31. Struthers fell behind at the outset 9-1 and never recovered. Joe Rudzik had 7 points.

S.H.S. 49 HUBBARD 41

In their next game the Wildcats trimmed the visiting Hubbard Eagles 49-41. The first half saw neither team gain an advantage. Struthers came in strong in the second half to cop the fray. Ben Bruno meshed 22 for the Cats.

S.H.S. 82 GIRARD 45

Eleven players hit the scoring column in leading the Wildcats to a smashing 82-45 triumph over Girard. Struthers attained a convincing victory leading 43-17 at halftime. Perkins, Watt, and Bruno had 22, 13, and 12 points, respectively.

S.H.S. 55 BOARDMAN 41

Playing great basketball the Wildcats trounced Boardman 55-41. Struthers took the lead early in the second quarter and held throughout the game. Ben Bruno had 17 markers for the Wildcats.

S.H.S. 39 CAMPBELL MEMORIAL 43

Playing their last regular season game the Wildcats lost out in a grueling duel with their rivals from Campbell 43-39. Campbell led at halftime 20-16 and started to pull away, but the Wildcats caught fire and almost tied the winners. "Pudgie" Kosco scorched the mesh for 20 points.

The Struthers High Track Team beat Wilson 69-17 for their only victory of the season under the coaching of Mr. Thomas Phillips. The team lost to Niles, Fitch, Chaney, Boardman, Poland and Farrell.

The team placed fourth in the Steel Valley Conference annual track meet. Bob Landgraff and Richard Simon won gold medals in the meet. Landgraff was third in the 220 and fourth in the broad jump. Richard Simon, after being out of action for the whole year, placed third in the half mile. Gene Valentine and Joe Carlucci placed fourth and fifth in the shot put in the Steel Valley Meet.

One of the high spots of the school year was the First Annual Sports Assembly sponsored by the Varsity-S Club. Members of the boys' gym classes and the Freshman Track Team participated. When points were totaled at the end of the afternoon, the seniors and freshmen were tied with 42 points each. The juniors had 28 points and the sophomores had 5.

Awards were presented after the track meet in an assembly featuring Reverend Bob Richards, Olympic pole vaulter.

George Hall was presented a trophy for being the most valuable competitor, with 12½ points. Before Reverend Richards concluded the assembly with an inspiring address, Ben Bruno, Varsity-S president, presented him a plaque which made him an honorary member of the club.

picturing you

Perhaps the most important thing in high school is learning to live with other people in an adult way. It is the well-rounded individual who has learned this co-operation that succeeds in life.

This is the reason school activities are so important. From these activities you, the student, learn the basic rules of society with an active participation. Each activity to which you belong helps to develop your personality and character. Besides molding your attitudes toward good social behavior, these activities are fun. Without this all-important part of school life you would find the school a much-changed place.

Displaying your ability to accept the responsibility of an adult, you did your best to support school activities. The benefits gained will long profit you.

JUNIOR Y-TEENS

Open to all freshman and sophomore girls, the Junior Y-Teens is a fine organization dedicated to do their part in forming a better world in which we live.

Affiliated with the Y.W.C.A. in Youngstown, and represented at all meetings there, the Junior Y-Teens has taken part in very many activities this year.

Only the sophomores are eligible to take part in city-wide activities such as the Touchdown Toddle and the Spring Formal.

SENIOR Y-TEENS

The Senior Y-Teens is affiliated with the Young Women's Christian Association, and is open to all junior and senior girls. These girls have pledged to help their club and the members spread good fellowship and the Christian way of life.

The club, Truloso, sponsored by Mrs. Dorothy Flower, Mrs. Dorothy Gough, and Miss Antoinette Kramer, joined the rest of the Y-Teens in the valley in holding two annual dances, the Touchdown Toddle and the Spring Formal. Each club also has its own Y-Teen basketball team. The Y-Teens also held their own dress-up day and sold buttermints.

"To maintain and extend throughout the home, school and community high standards of Christian character." This is the pledge of the Ductorian Hi-Y, a determined group of junior and senior boys, sponsored by Stephen Grcevich, whose duty as Ductorians is to follow this pledge to the best of their ability. Affiliated with the Y.M.C.A., the Ductorians stand for scholarship, clean speech, sports, and living.

The senior members hold positions in the city offices on Civic Day, and a basket given to a needy family is among their activities.

Varsity-S promotes high standards among athletes.

The Varsity-S Club, sponsored by Mr. Thomas Phillips, stands for high ideals, grades, and moral character. To be eligible and to maintain membership in this organization, a person must have a high moral character, a C-plus or better average, and must have earned a varsity letter.

The Varsity-S Club, distinguished by the insignia of the red S inside a white V, helped out at sports activities, sponsored a successful season-ticket drive, and participated in many other activities this year.

The aims of this club are: to promote a high standard of athletics, to serve our high school, and to create a fellowship among varsity athletes. The Varsity-S Club can rightly be considered a credit to its community.

To study the United Nations and to keep informed of its varied activities in the promotion of world peace is the purpose of the U. N. Club.

The group meets once a month to discuss current events of the peace-making organization. Through their studies, the club intends to further the knowledge of the U. N. throughout the community.

The club began last year when several students got together to study for a United Nations Scholarship Test. Having been organized, the group arranged a display in the school lobby on U. N. day, visited a television program, and conducted a Halloween drive for the needy children of foreign countries.

"Habla espanol?" Translated, "Do you speak Spanish?" At almost any time you might hear a phrase or two like this. "Como esta Usted?" "Como se llema usted?" It all may be Greek to you, but to the members of the newly formed Spanish Club, it's their pride and joy. Dedicated to the furthering of the Spanish language and customs, the members go all out to puzzle their friends and get people interested in the language. With the spark of interest growing, many new members are joining the club. This year alone the membership has jumped from 27 to 43.

Students must be taking Spanish I or II in order to be eligible for membership. This year's activities were highlighted by a banquet at which the new members were initiated.

"Veni, vidi, vici." In the words of the immortal Julius Caesar, meaning "I came, I saw, I conquered." Here in our school is a club dedicated to the furthering of the knowledge of Roman civilization, the Latin Club, sponsored by Mrs. Roy Scholl. This Latin sentence might well be said to pertain to the Latin Club also! The Latin Club has succeeded in conquering the fears and doubts of students about the simplicity of the Latin language and about Roman civilization, which has had such a great effect upon the world today.

To become a member of this organization, a student must have taken one year of Latin. This spring the club held its annual banquet at which food, served by "slaves," was eaten by members lying on couches about a table, in Roman dress, according to ancient Roman custom.

The two primary requirements of Fidelis membership, open to 15 junior and 20 senior girls, are personality and scholarship. The girls are voted members of Fidelis in their sophomore or junior year by a majority vote of the present members.

The giving of a Thanksgiving basket to a needy family and the selling of football ribbons and pencils engraved with basketball schedules to encourage school spirit, head their list of worthy projects.

Dinner meetings, decorating the school Christmas tree, reminiscing at the annual banquet, where each senior girl is presented with a silver identification bracelet, are just a few of the happy times which will never be forgotten.

embers plan trip to nation's capital

Membership to the National Honor Society is the highest honor to be attained at Struthers High School. Members are chosen on the bases of scholarship, leadership, character, and service. Only the top one-third of the Junior and Senior classes are eligible for membership in this highly esteemed organization. Sponsored by Mrs. Mary Buta, the National Honor Society sponsored movies in the auditorium on Saturday afternoons. The formal initiation for newly-elected members was held December 13, with Dr. Homer B. Henderson as the guest speaker. Senior members who earned 30 points by working at the movies and attending meetings made a trip to Washington, D.C. this spring.

Can you imagine a place "Somewhere Over the Rainbow"? A place where troubles melt like lemon drops. Such a place was created as the juniors turned the Struthers High gymnasium into a lavish land "Somewhere Over the Rainbow." It became an enchanting place of soft billowy angel hair clouds in a sky of shimmering gold—a place of trees of rainbow hues and flowers—a place where there was a lovely rainbow leading to a pot of gold. Before the rainbow sat the King and Queen, Dick Cannon and Linda Wise. Refreshments were served on cloud No. 9. Dancing continued as the orchestra played over and over again the lovely strains of "Over the Rainbow." At twelve the couples came back to reality as they left this dreamland. However, never-to-be-forgotten were the happiness and pleasure they found "Somewhere Over the Rainbow."

"Education is what you make it," so states an old adage.

The purpose of your education at Struthers High is to prepare you to be an intelligent thinking citizen of our American democracy. However, the type of citizen that Struthers High produces depends not on our administration, but on YOU. The degree of education that you obtain depends on your willingness to cooperate with the teachers and the effort which you put into your work. If you have done these things well, then you have made a great step toward becoming a good citizen.

Besides your basic education, you have learned many important things from your extracurricular activities. Truly, the well-developed student gains knowledge from his everyday school experiences, as well as from his text books.

The Struthers High Band provides all the good pep music that is heard during assemblies and at football and basketball games. Under the direction of Mr. Vincent Simon, the band has performed many intricate formations during football game half times. Full of spirit, the band can always be counted upon to do their share of cheering too.

During Band Tag Day, band members ask the people of Struthers to contribute money to help the band keep in top-notch condition.

Another annual event is the banquet at which graduating senior members who have served four years or more receive pins and gifts in appreciation of their fine work.

Not everyone can sing, but certainly everyone enjoys the singing done by the Struthers chorus. This organization has done a great deal to brighten life here at Struthers. On such occasions as the Christmas and Thanksgiving assemblies the beauty of their songs lent the final touch that made the program complete. Surely the girls and boys in this year's chorus have lived up to the chorus tradition of fine singing. With Mr. Frank Tomasello as their sponsor, the chorus worked very hard this year on their annual Variety Show.

"How can peace be best obtained in our troubled world?" This question was answered time and time again as the individual speakers of Struthers High delivered their Prince of Peace speeches.

The Prince of Peace contest is sponsored yearly by the Ohio Council of Churches. The participant memorizes and interprets a college-winning essay on the subject of peace.

Early in the year a series of practice tournaments are held. This year one was held at Struthers High. The ensuing contests are "sudden death." If a person doesn't get a first place, he is automatically eliminated.

Several prizes are given. Local winners receive bronze medals; county winners, silver medals; district winners, a gold medal and a trip to the U.N. The district winner then advances to the semi-finals. Those obtaining the finals are guaranteed at least $50. Top prize in the state is $200 and a four year scholarship.

As always, Struthers was very well represented. All Prince of Peace contestants are coached by Mrs. Lotta Van Fossan.

Speaking ability, reasoning powers, and lots of hard work, these are the requisites for a successful debater. The debate students of Struthers High have all these qualities. They have been very successful in all their work this year.

The Varsity Debate Team, debating almost every Saturday, had a fine record in "A" or experienced division. Varsity debaters this year were Dale DeLetis, Rachel Heldman, Gary Wood, and Pat Maloney. They participated in both the Ohio High School Speech League and National Forensic League district finals.

Many new faces were seen in debate this year. These newcomers debated mostly in "C" division, the novice classification and also alternated in "B" division.

All debate teams were coached ably by Mrs. Lotta Van Fossan.

Debate requires reasoning and hard work.

Speakers gain poise, enjoy competition, in individual events.

The essence of debate is team work. Individual events, in contrast, concerns only the individual speaker. A person in individual events is entirely "on his own."

The individual speaker may enter one of several categories: oratorical, dramatic, or humorous declamation; original oratory, or extemporaneous speaking.

In all these events, Struthers was well-represented. Most novice speakers entered oratorical declamation to gain more speaking experience; however, the older speakers joined the other, more difficult categories.

A series of practice tournaments was held during the early months of the year. Those obtaining the highest ratings then obtained the chance to participate in the Ohio High School Speech League and National Forensic League district finals.

Individual events is also sponsored by Mrs. Lotta Van Fossan.

Pat Maloney gives her version of "Pigs is Pigs," in humorous declamation.

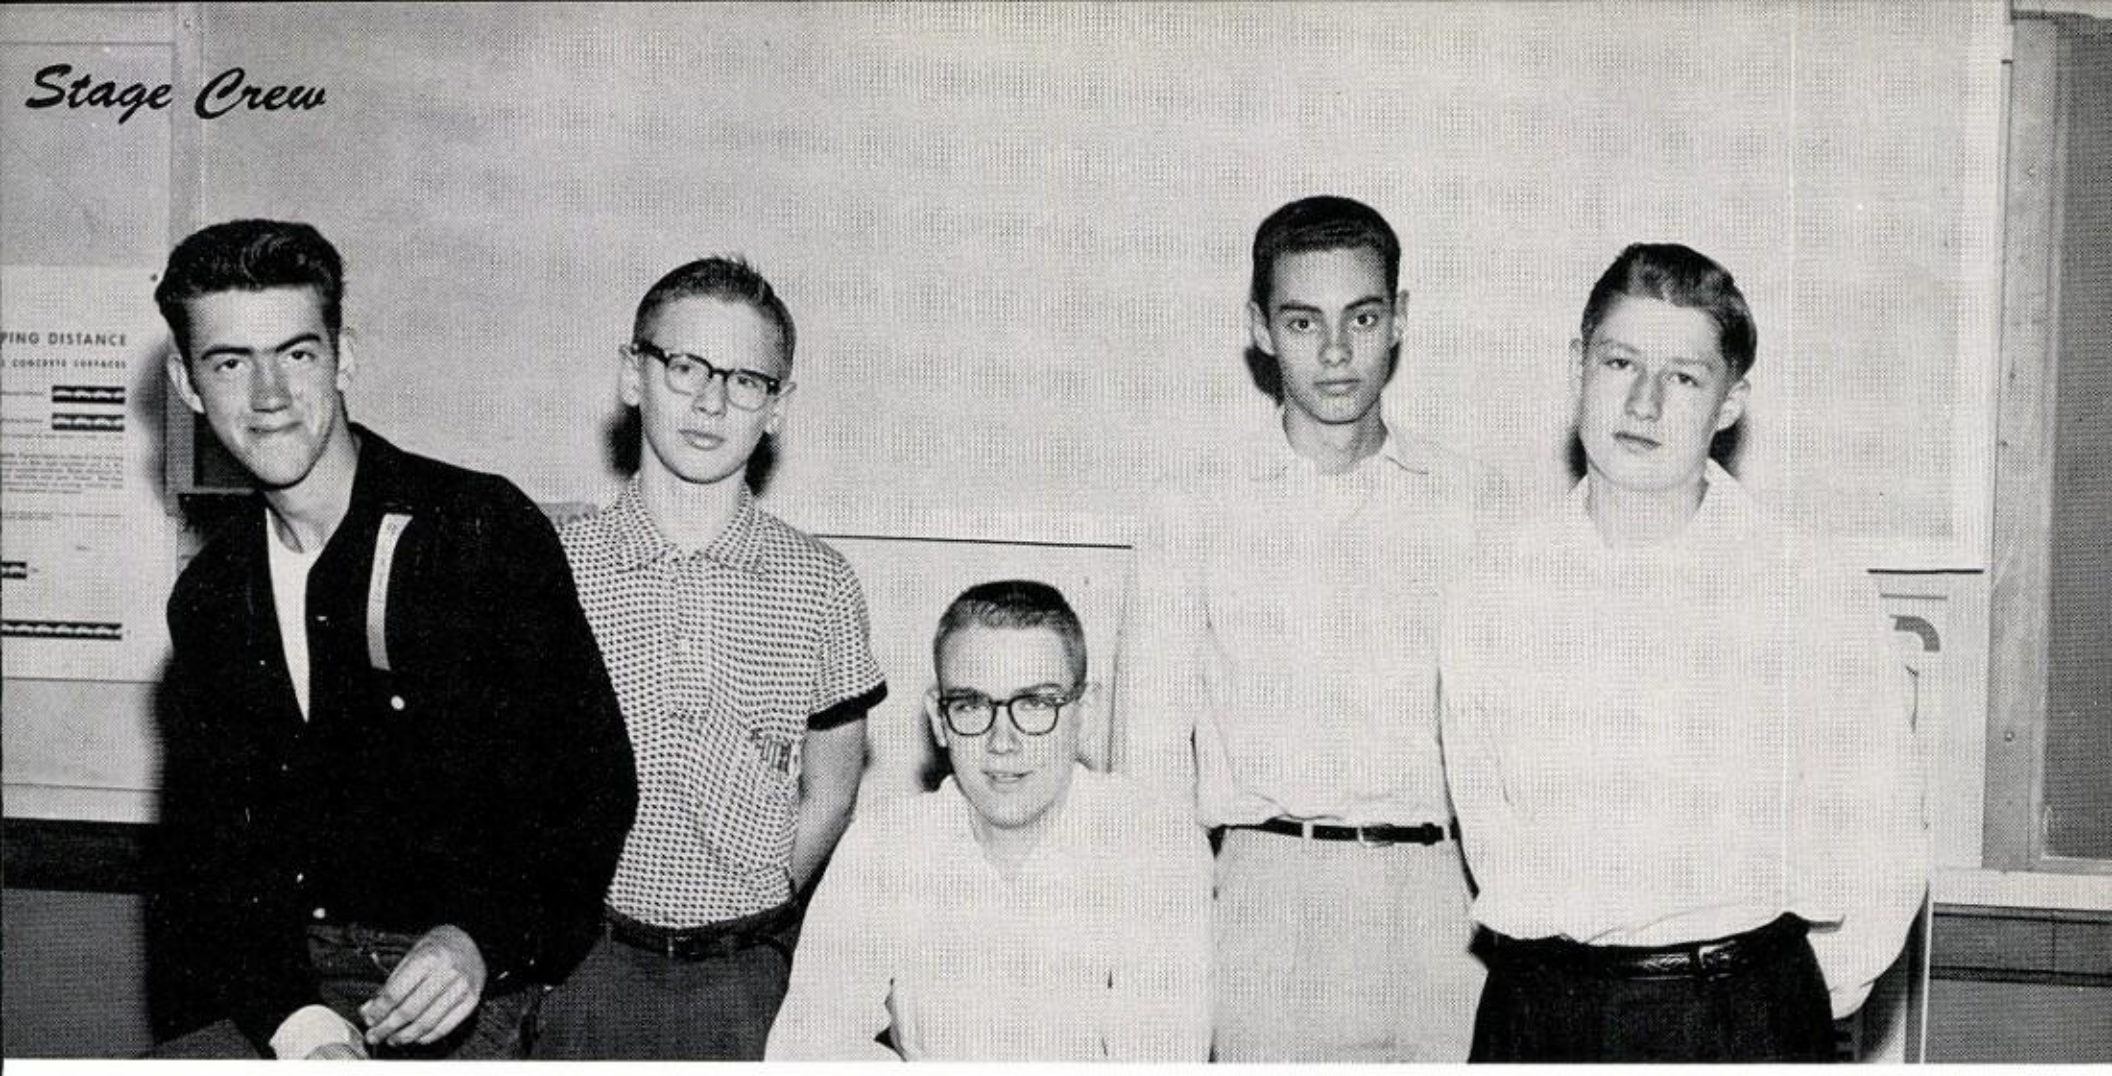
Seated: Miss Pat Tomko, C. Berg, E. Weaver, I. Jackentell, J. Bogan, G. Sfara, J. Bogan, K. Laczo.

S.H.S. office girls are chosen from different classes on the basis of many traits, including grades, dependability, and honesty. In assisting Miss Pat Tomko, high school secretary, they perform such duties as checking the attendance, delivering messages, and recording grades. Work here is good preparation for future secretaries.

First row: C. Evans, V. Devenzio, C. Maloney, R. Colick, M. Boggs, J. Skurich.
Second row: S. Mealka, J. Janosko, J. Kisak, M. Leskovar, C. Boggs, J. Williams, J. Bufford, J. Barger.
Third row: G. Tovarnak, N. Macejko, K. Unick, M. Falet, M. Sakas, R. Johnson, R. Filban, J. Segel.

Under the supervision of Mrs. Elsie Shaw, the librarians are responsible for the management of the library, which includes the proper care and arrangement of the books.

Stage Crew



S. Shipley, T. Lewis, D. Williams, H. Durkin, J. Kidd.

The stage crew is an indispensable aid to Struthers High. Working for our principal, Mr. Wayne Grinnen, they operate the electrical equipment, such as the lights and public address system. They also run the movie projects and are responsible for all the films shown in the school. In addition, the stage crew aids in such special projects as dances and plays.

Lab Assistants

T. McIntire, B. Pennell, D. Williams, B. Bruno, H. Durkin, R. Simon, Mr. J. Himes.

The laboratory assistants are the "behind the scenes" men of the chemistry lab. Besides assisting Mr. Jack Himes in research work, and helping to keep the equipment room clean and in order, this helpful group mixes the chemicals and prepares the experiments for the chemistry and physics classes. To be eligible to become a lab assistant, a student must have completed a year of chemistry or physics.

Jo Polito and Joan Kochis, 1957 Hopewell Editors, receive trophies for outstanding work from Gene Opsitnik.

The 1957 journalism banquet, honoring members of the Hopewell and Student Prints staffs, was held in the high school cafeteria.

Dr. Eugene Beach, pastor of the First Christian Church of Youngstown, gave an inspiring address to the students and guests. Trophies for their admirable work were presented to Jo Polito and Joan Kochis by Gene Opsitnik, annual photographer. Bonnie Reed, Student Prints editor, received a trophy from Mrs. Naydne Herrick, publisher of the Struthers Journal, for her outstanding work.

Guests included Mr. O. J. Gabriel, Superintendent of Schools, Principal Wayne Grinnen, advisors and editors from district schools, members of the school board, and parents.

picturing you

This is the highest point in your annual, the climax of another year. Within these next pages are the individuals who have reached the top of the ladder of classes, the seniors. After four years here at Struthers, you, the seniors, are now prepared to take your place as responsible citizens. The senior class represents the culmination of all the well spent effort in every phase of school life, the finished product. The many joys experienced, the many lessons learned will not be forgotten as just so much past history, but will go on living, an indestructible part of each person. The foundation has been laid, now it is up to you, future citizens and leaders, to build onward and upward. Though you leave us now, your memory will live on, each accomplishment a memorial to you. The years of preparation for graduation are the happiest, most adventurous years of your life, and we hope they will remain as such to you.

s Seniors . . .

Competent sponsors and officers lead senior class in active year!

"Variety is the spice of life," so says an old adage.

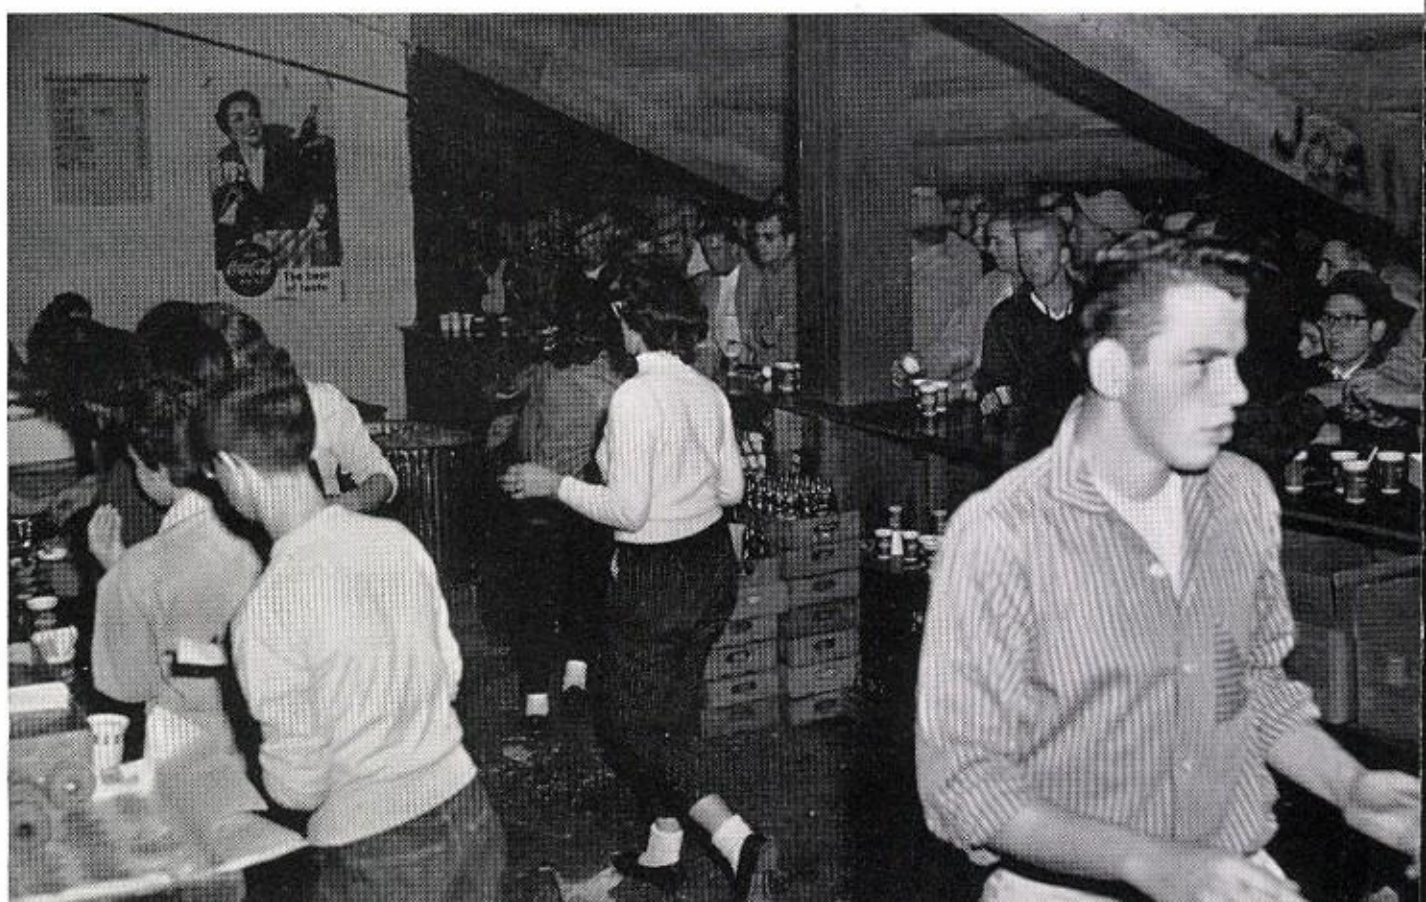
You, the energetic senior class, have cooperated together in a variety of activities this year; thus making your senior year a very profitable one.

Remember at the football games how you stood out in the cold uttering your cry fierce and bold, "Concessions! Get your concessions here!" You really worked hard on those concessions. You braved anything—cold weather, flu—anything—to get those concessions sold to the people. A great asset to you was our winning football team.

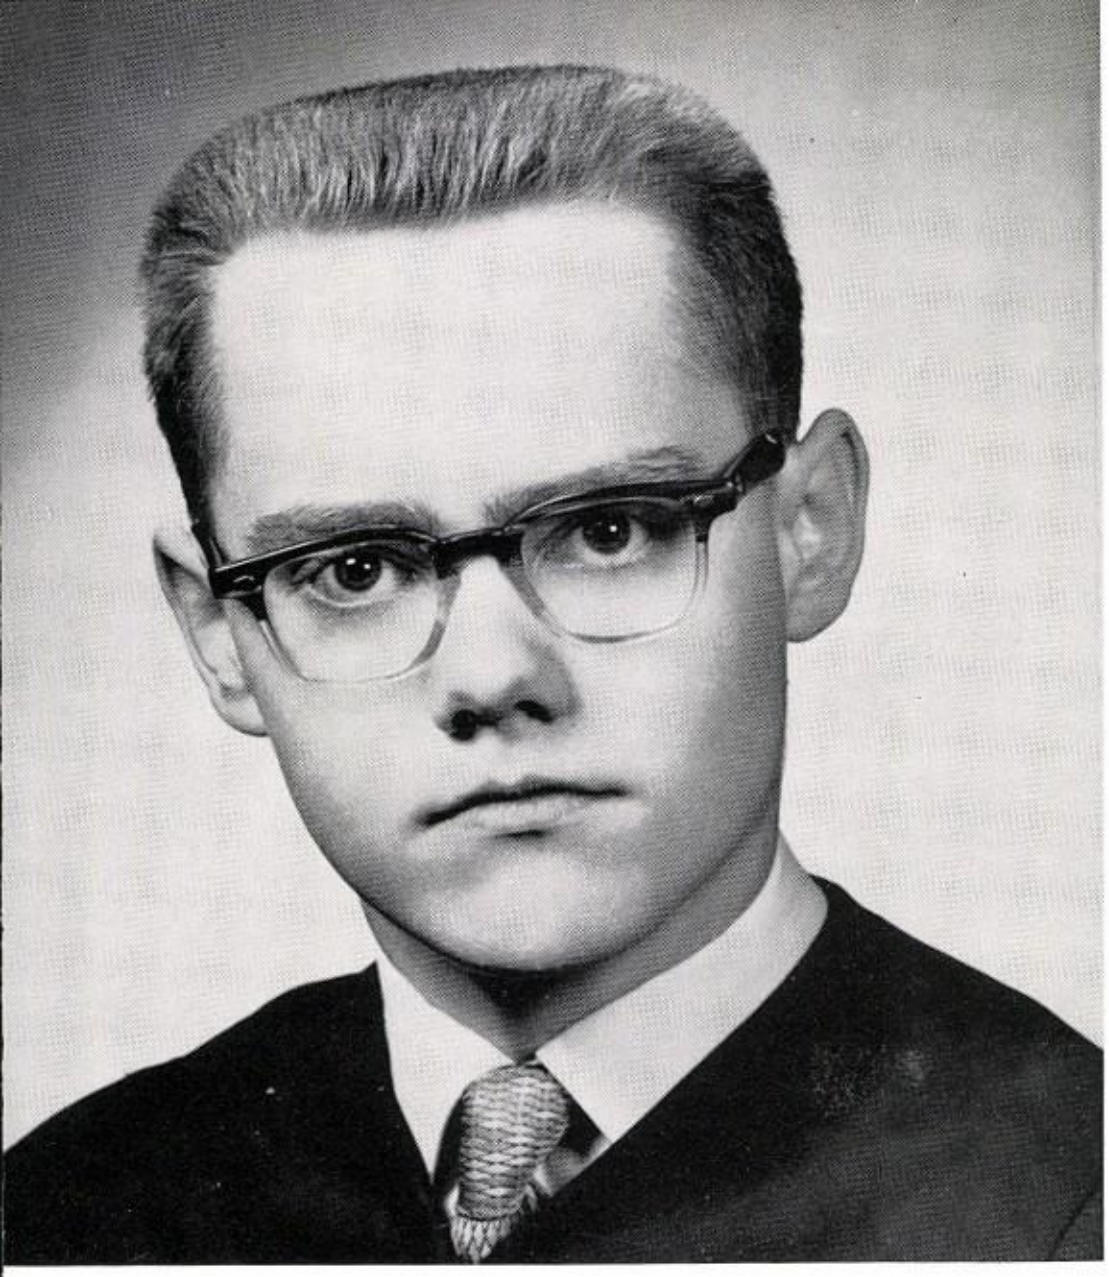
After the Rayen game, remember how you sponsored the first record hop of the year? "The Kickoff" that's what you called it. And "The Kickoff" it was. The record hop was so successful that it has set a precedent for all other classes to follow. Then, you had a series of car washes throughout the year. You may have come home a little wet, but you made quite a profit on them.

You sold screwdrivers during the Christmas holidays.

As seniors you did so many other things. The Ice Follies trip to Cleveland, the Senior Banquet in May. You the senior class have worked together well. You have had many varied and successful projects. The willingness to work and the cooperation that you the Class of 1958 have shown will always be an example for all classes to follow.



Business is brisk at the senior class concession stand.



THEODORE A. METZLER

This year the top spot in class ranking goes to Theodore Metzler. Ted, having taken the college entrance course, led the senior class of 1958 with a 3.91 average to take the Valedictorian position.

Behind him he leaves a long list of achievements worthy of four years of high school well spent. His scholastic attainments include three times representing Struthers in the Mount Union Tests and receiving the Bausch & Lomb Science Award. He also has been four times winner of the American Legion Essay Contest. His crowning achievements in scholarship are ranking in the upper five per cent of the state in the Ohio State Scholarship Test for Seniors and also becoming one of the few Struthers students to receive recognition on the National Merit Scholarship Test.

In addition Ted is active in speech. Besides being president of the National Forensic League, in which he holds the degrees of Distinction, he has made a fine record in speech competition. Active in both debate and individual speaking events, he won the state championship in extemporaneous speaking last year. In the Prince of Peace Contest he has also been a district winner twice.

Aside from these many activities, Ted is a hard-working member of many school clubs. He is vice president of the Ductorian Hi-Y and a member of the Engineers' Club.

Ted plans to attend Denison University where he will major in history and philosophy.

Metzler becomes Valedictorian; Williams, Salutatorian

The position of Salutatorian for the senior class of 1958 goes to David Williams. Dave, also a college entrance student, took the second ranking position with a 3.81 average.

Dave, too, is very active and like Ted ranks high in scholastic attainment. Among his scholastic achievements are receiving the Bausch & Lomb Science Award and representing Struthers in the Mount Union Scholarship Tests. In ninth grade, he took General Science; tenth, Latin II; and in eleventh, Chemistry. Placing in the upper five per cent of the state in the Ohio General Scholarship Test for Seniors ranks highest of his achievements.

Besides his scholastic activities, Dave enjoys membership in many school organizations. Foremost of these is the National Honor Society in which he is vice president. He is also secretary-treasurer of the Ductorians Hi-Y and a member of the stage crew and Engineers' Club.

Dave plans to attend M.I.T. where he will study to become a nuclear physicist.

CLASS HISTORY

The month was September and the year was 1954. You were a part of the crowd that was standing outside Struthers High School. Finally, the doors opened and you were swept into the activity of the freshman year. Your class officers for that year were Benny Bruno, president; Nick Gentile, vice president; Eleanore Liptak, secretary; and Janet Heckert, treasurer. Mr. Robert Hauge was a very cooperative sponsor. Remember that first skating party at Kelly's in Columbiana, Ohio. Next came a class dance and then a school dance called the Hobo Hop. The hop was held at Sexton Street gym and Billy Farrell, a top recording star, made a special guest appearance. Who will forget escaping from study hall to wash walls as a part of the Clean-Up campaign?

The month was again September; but the year, 1955. This year you were better acquainted with the other members of your class and with S.H.S. The new class officers were Dave Williams, president; Tom Eckman, vice president; Tom McIntire, secretary; and Don Sicafuse, treasurer; with Mr. Gene Janecko as sponsor. Everyone had a fun-filled time at the Halloween party, which featured such funny and clever costumes, including that of a mummy. Another skating party and a post-basketball game dance rounded out the memorable activities of your sophomore year.

September, 1956, marked the beginning of your all important junior year. When class president Carol Keiffer moved to another school, Angela Augustine was elected to the office. Benny Bruno was vice president; Rachel Heldman, secretary; and Pat Evans, treasurer. Mrs. Sylvia Scholl, Miss Margurite Tigue, and Mr. Tom Phillips served as class sponsors. Remember tramping from store to store in the boiling sun to get ads for the football programs; and then, standing in the blustery cold crying the merits of the finished product? Perhaps you were one to get soaked at a car wash, or covered with itchy angel-hair while decorating for the Junior-Senior Prom.

The month was September and the year was 1957. At last, the final and most important year began. Angela Augustine, again elected president, was assisted by Bill Higgins, vice president; Pat Maloney, secretary; and Pat Evans, treasurer. The sponsors were Mrs. Mary DeGenova and Mr. Arleigh Westerbeck. Always to be remembered highlights were the New Year's party at the Old Barn, the trip to the Ice Follies, the Junior-Senior Prom. Remember the senior picnic, senior banquet, and Baccalaureate? What were your thoughts as you cheered at the last pep assembly? As you looked up at the student body at the Senior Assembly, did it bring back some of these wonderful memories you had as an underclassman?

The day was June 2 and the year 1958. You marched slowly and nostalgically from the commencement service along with dear and long-to-be-remembered friends, and that September morning in 1954 suddenly seemed like yesterday.

WELL DONE, GRADUATE

With graduation, the class of '58 will suddenly turn from a well-knit group, working together, into individuals, each going his separate way. Some of you will meet only at class reunions. Some of you may never meet again.

Together you have done much. You have put together this yearbook, you have made your mark on the gridiron and basketball court. You have made your school better for having been there.

Apart, may you each be as successful as your class has been as a whole. In college, in marriage, on the job, in life, may your job again be . . . well done.

The Best Yearbooks Are TAYLOR MADE
TAYLOR PUBLISHING COMPANY DALLAS, TEXAS

The Hopewell has recorded another year of life at Struthers High School reliving the activities of YOU, the student body. This book belongs to YOU, because each of us—whether senior or eighth grader—is a part of the big YOU. It is the aim of the Hopewell to present a true picture of the youth of Struthers.

We, the Hopewell editors, are honored and proud to have played a part in recording this 1957-58 school year.
